

River Valley
Polled Herefords

Presents

Genetic Designs VIII

**5:30 PM • FRIDAY
SEPTEMBER 14TH, 2012
AT THE FARM, NEWBURGH, ON**

Dear friends and fellow Hereford Breeders,

We invite you and your family to join us on Friday, September 14th for the start of a great "Hereford Weekend" in Ontario.

We were thrilled to see "Trust" win at Denver. What an honour. We are so proud of the great job that Ned and Jan Ward have done with this young bull. We are even more thrilled by the calves he has put on the ground for us. As you page through this catalogue, you will get a look at his progeny. We hope you find them, as exciting as we do.

We are pleased to have Thurston Livestock, NGB Polled Herefords, Star Lake Cattle Ranch and Spring Hill Farms joining with us this year. We know you will be pleased with their offerings.

When you arrive, we invite you to drop by the sale ring and register. For those who arrive early, we will be making a series of draws for both juniors and adults, for sale credits and other items.

For those of you who can not attend the sale, please tune into www.liveauctions.tv and join with us by watching the live broadcast.

After the sale, please be our guests for a social time to meet with fellow breeders and share some Hereford enthusiasm.

If we can be of any assistance to you prior to the sale, please give Kelly a call at the office. She can be reached at 613-378-2701. She would be pleased to assist you with any questions or information you may need.

We look forward to seeing you at the farm!

Sincerely,

Elwyn, Donald and Pauline

Dear Hereford Breeders,

Welcome to Genetic Designs VIII and this year's Ontario Herford weekend. If coming from afar, please attend all three auctions, as you will be glad you did.

This "Genetic Design" offering is extra special as it features the get and service of the Denver Supreme Champion Hereford bull "Trust". All who have used this sire are reporting stellar results. The lot one bull is an example and true herd bull with a special look and quality to improve your herd. The "Trust" bull and heifer calves offered will be crowd favorites.

The cows selling are as good as they have. The group is young, sound, full of milk, and represents the breed's finest genetics.

Each sire represented by the 2012 calves offered has breed improving merit and will be used in River Valley's future. "The Boss" and "Can-Am" are home grown and make the crew at River Valley proud. "Battle Cry", "Deputy", and "Xcalibur" represent time tested genetics and breeding programs.

The "Genetic Affiliates" cattle fit right in and we all appreciate the effort they put forth to make this event successful.

All who are part of the River Valley team give 100% and I'm proud to work with each one of them on this sale.

Feel free to call.

Respectfully,

Dale Stith, Auctioneer

- What a ride for us and especially Donald to be in Denver while Trust was being named Supreme Champion Hereford. We want to express our gratitude to all involved in breeding, raising and exhibiting this champion. More importantly, he has already surpassed our expectations and he is still such a young sire. His sons and daughters exhibit those traits we are seeking to advance our herd and this breed. Time will show us all but we feel certain this sire will go down as one of the great breeding bulls of our industry. Thanks to all who used him in their program. We have tried to offer a sampling of what Trust is doing for us. We hope you approve.

• Now that Deputy is a two year old we have a better understanding of what we "think" we have. When we bought him we were looking for a young sire to walk the pastures after A.I. that would be equally strong genetically as the A.I. sires we were using.

• Deputy's sire "Durango" is proven being a multiple trait leader and having produced Denver Champions and donor females. However, we feel the strength in Deputy is his dam. She was a \$17,000. heifer calf in the first Ned & Jan Ward sale. Later she was two times cow/calf champion at the Kansas City American Royal National show. The daughters of this bull are what we really are looking forward to.

• We acquired this bull in dam from the Mead program in Georgia. His sire "Solution" is one of the well known sons of "Durango" in the states. 51X was used exclusively this year on 40 of our yearling heifers instead of A.I. We feel he exhibits the traits we want in the beef industry and the ones that fit into our feedlot operation. Time will tell us but for now we are very excited about this young bull.

• This is our "home grown" senior herd sire who we appreciate more with each calf and each day. His calves are vigorous, easily calved, attractive and high performing. We love his mother....."Touch of Gold" who has proven to be the cow we hoped she would be. She is one of our donors and will continue to make her mark in our program. This bull's pedigree represents several of the breed's most prominent individuals which tells us he will breed as demanded. His service and get are a feature in this sale.

- Reba was our first heifer calf born this year. She's a dark coloured WLB Eli daughter out of dam with Wrangler 832W on top and Star SS Thunder on the bottom.
- Pedigrees won't get much better than this. She also has excellent EPD's. Check her out!

On Line Viewing & Bidding Available...

We invite those of you who are unable to attend to be part of the action!

We would never want to give someone an excuse not to attend this event, but if the situation arises, we have you covered.

With the help of LiveAuctions.tv, we are now able to give you a live connection to the auction.

Real-time bidding will be available via the Internet for this sale. Live audio and live video will allow buyers to bid on animals as if they were present at the sale.

Buyers must create an account at least 2 days prior to the sale.

Please visit <http://LiveAuctions.tv> to walk you through the set-up process.

Please contact Jill Mader (403) 990-9187 or Brad Fahrmeier (816) 392-9241 if you require any assistance.

Directions

From the West, take Hwy 401 to Napanee
Exit on Hwy 41 north (Exit 579)
Turn right on Goodyear Road
Goodyear Road runs into County Road 11
Go straight on County Road 11 to Embury Road
River Valley is located at 398 Embury Road

From Toronto Airport, follow 401 East to Exit 579
1½ to 2 hours Driving Time

From Syracuse, NY Airport, North on Interstate
81 to the Canadian Border take Highway 401 West

From the East, take Hwy 401 to Camden East
Turn left at 4-way stop in Camden East
Turn right at 3-way stop in Newburgh
Turn left at Academy Street
Turn right at Embury Road
River Valley is located at 398 Embury Road

Accommodations

River Valley has reserved a block of rooms at a special rate at the following hotels:

Hampton Inn

40 McPherson Drive, Napanee
\$113.00 per night includes hot & cold breakfast

Please contact Kelly (613) 378-2701 for help with room reservations.

Payment

Terms of the sale are cash, cheque, visa or mastercard. All cattle are to be paid for before they are released. All other arrangements must be agreed to with the owner or manager prior to the sale. All transactions are in Canadian dollars.

Rules of the Sale

Each animal will be sold to the highest bidder. The auctioneer shall settle any disputes and that will be the final authority. Any announcement from the auctioneer's stand will take priority over printed material in this catalogue or any information on the supplement sheets furnished on sale day. All animals in this sale become the immediate property of the buyer once they are sold. All buyers are expected to recognize this fact of their ownership and either accept full responsibility or else insure their animals before leaving the sale.

Health

All animals in the sale have met all necessary health requirements.

Delivery

Will be provided at cost at the buyers option and risk. Instructions for delivery must be given at time of settlement. No cattle will be released until after the conclusion of the sale.

Breeding Guarantee

All cattle in this sale are guaranteed in accordance with the rules and regulations of the Canadian Hereford Association. Any female which is stated to be pregnancy checked safe in calf is guaranteed to be pregnant at the time of this sale. All females safe in calf or with a calf at side are thereby considered breeders with no further guarantee. All females who have been serviced but not checked

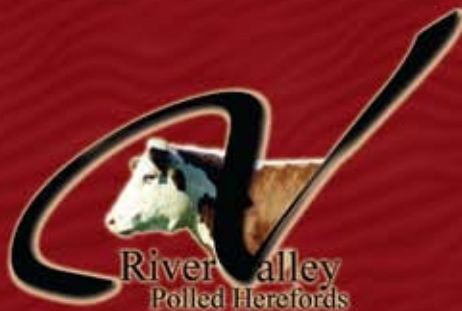

safe in calf, carry no guarantee on this breeding. The owners can guarantee a service to this same breeding at a later date after the sale providing it involves one of their active herd sires that is eligible for semen sales. Females cannot be guaranteed if they are subjected to estrus-synchronization or super-ovulation treatment. Please listen carefully to special guarantees from the auction block during the sale. The owners understand that when something goes wrong both the buyer and the seller have losses. We will make every attempt within reason to stand behind our cattle.

Liability

All persons attending this sale and related functions do so at their own risk. The sellers and sale management assume no liability, legal or otherwise, for any accidents that may occur. Accidents at cattle sales are very rare, but all persons attending this sale must understand that they do so at their own risk. In the event that unforeseen circumstances cause the cancellation of this sale for any reason, the sellers and sale management will not be liable for expenses incurred by anyone planning to attend the sale. The sellers and sale management also reserve the right to withdraw any animal catalogued from the sale for any reason without recourse.

EPDs

EPDs are updated regularly by the CHA so we cannot guarantee that the EPDs listed in this catalogue will be the same as those assigned to the cattle by sale day. Visit the CHA website to attain the most current data. River Valley and their consignors cannot be responsible if the cattle do not perform as indicated by these numbers.
